### **Compri Is Title Sponsor at Colorado Technology Association's C-Level @ A Mile High Event**

Denver, CO – February 20, 2013 – Compri Consulting, one of Colorado's premier IT staffing firms, announces it is the title sponsor of C-Level @ A Mile High 2013, an interactive technology event hosted by the Colorado Technology Association (CTA). The event will be held March 21, 2013, at Sports Authority Field in Denver, Colorado, with expected attendance from over 1,200 industry leaders. C-Level offers opportunities for attendees to bid on quality time with C-Level executives in order for them to share ideas, network and learn about the various businesses and their IT services.

"CTA is a first-class organization with a strong focus on promoting and supporting technology companies in Colorado," states Tom Melaragno, Founder and CEO of Compri. "Compri has been a contributing member to the organization for many years. We look forward to further strengthening the technology industry within the state and enabling opportunities for growth all CTA members."

Melaragno serves on the Executive Committee by Special Appointment of CTA's Board of Directors.

"CTA welcomes Compri and the many other vibrant companies that contribute to the technology sector's success, overall promotion and development," states Steve Foster, President and CEO of the Colorado Technology Association. "Colorado is so fortunate to have a highly engaged member community that encourages collaborative partnerships to promote opportunities within the technology industry. We look forward to a stellar C-Level event."

### **About Colorado Technology Association**

The Colorado Technology Association represents Colorado's technology industry. The technology industry is one of the fastest growing in Colorado, ranked third in the nation in high-tech workers with more than 100,000 highly paid tech professionals. We also work nationally to ensure Colorado's technology voice is heard, through TECNA, a coalition of technology associations across the United States and Canada, as well as with TechAmerica, the national lobbying organization for federal issues. Since 1994, Colorado Technology Association has been involved in legislative issues and public policy to represent the technology industry in Colorado, and provides more than 50 programs, events and connections to support this industry.
